The Shawnee Mission District athletic program is a significant and dynamic part of the total educational experience available to students. These programs enhance learning in the school and contribute to a positive school climate. Participation in extra-curricular activities is strongly encouraged because students learn teamwork, develop physically and emotionally, develop a sense of belonging, and enhance their self-image.

Participation in athletics is a privilege and differs from a student's right to a high school general education. Rules and regulations governing each of the various athletic programs have been established to insure fairness to all students and to guarantee that the school image resulting from the students who represent their school is a positive one.

The purpose of this packet is not to burden you with a lot of paperwork. In fact, this booklet consolidates all of the various forms required for participation in our athletic programs into a single packet of information. We feel it is our duty to inform you regarding the risks associated with participation in athletics, transportation issues, etc. Additionally, it will allow you to communicate information to your coach that will allow him/her to better serve your child.

Please read and sign each form in this packet. (Use the following as a checklist.)

KSHSAA AND DISTRICT GUIDELINES

TO BE COMPLETED BY THE STUDENT/ATHLETE & PARENT/GUARDIAN

Please note the following rules and regulations that govern high school athletics in Kansas and the Shawnee Mission School District. The following does not represent all of the guidelines; however, they do cover the main features.

Scholarship Requirements

A student must pass at least five (5) new classes the previous semester or the last semester of attendance in order to participate in athletics and cheerleading. Additionally, they must currently be enrolled in, attending, and passing in five (5) new classes during the present semester in order to participate.

High School students dually enrolled in colleges, who have their college hours recorded on their high school transcript, may count a maximum of five hours of college credit as two subjects of unit weight or three hours of college credit as one subject of unit weight.

A student cannot have more than eight semesters of possible eligibility in grades nine through twelve.

Age Requirements

A student who reaches nineteen years of age on or before September 1, will be ineligible for athletics. Any student who reaches nineteen years of age after September 1 will be eligible for the remainder of the school year.

Transfer Students

If you have transferred to this school this academic year, please contact the athletic director to ensure that all required paperwork has been completed.

Outside Competition

An athlete who is a member of an athletic squad cannot participate as a member of an outside team or as an independent competitor in the same sport during the season. Please note that a student becomes a member of a school athletic squad when he or she first participates in a practice session. They cease to be a member of an athletic squad after his or her last contest or when the membership on a squad is terminated.

Violation of the aforementioned rule could make a student ineligible for the remainder of that athletic season unless he or she is reinstated by the KSHSAA Executive Board.

Private Instruction

A student may receive private instruction (not group instruction) in the same sport from non-school employees during the athletic season. A group is defined as two or more individuals or students.

Rules Governing Individual Sports

Please note that each individual sport has its own specific rules and guidelines. Please ask your coach to gain familiarity with these regulations.

From the first Tuesday following Labor Day through the last Friday preceding Memorial Day, there are limitations on the number of athletes from the same school squad that may practice or participate together on the same outside team. A player is considered to be a part of a certain school athletic team as he/she enters in to a game for any length of time. It is entirely possible, and quite probable, for a player to be a member of two or more squads in the same sport (i.e., if a youngster plays on a junior varsity basketball team but suits up for and enters the last 30 seconds of a varsity contest, they will be considered both a varsity and junior varsity basketball player in the eyes of our state association.)

Violation of the aforementioned rule could make a student ineligible for the remainder of that athletic season unless he or she is reinstated by the KSHSAA Executive Board.

Please sign on the line below if you have carefully read and understand the aforementioned rules and regulations.

SHAWNEE MISSION SCHOOL DISTRICT
TOBACCO/ALCOHOL/DRUG CONTRACT

DISTRICT CONTRACT REGARDING TOBACCO/ALCOHOL/DRUG AND EXTRA-CURRICULAR ACTIVITY PARTICIPATION

The Shawnee Mission School District and Shawnee Mission _____ High School are committed to provide a wide variety of wholesome, well supervised extra-curricular activities. We encourage each and every student to become involved and participate as representatives of his/her school.

The following contract will apply to each student who represents his or her school in any extra-curricular activity. Students participating in any Shawnee Mission School District extra-curricular activity must have a signed tobacco/alcohol/drug contract on file in the principal's office. The signed contract will be in effect during the student's enrollment in a Shawnee Mission school.

Board of Education policies JICH and JICG expressly prohibit the use, possession, transfer, or sale of any alcoholic or cereal malt beverage, restricted substances, or tobacco on school property or at school activities.

Students participating in Shawnee Mission High School extra-curricular activities are expressly prohibited from the use, possession, transfer, or sale of any alcoholic or cereal malt beverage, restricted substances, or tobacco. Violation of this restriction by any Shawnee Mission student will, in addition to consequences set forth by the board of education, result in the following consequences listed below. Students in violation of this contract are encouraged to seek appropriate counseling or treatment.

A. FIRST OFFENSE

IN SEASON VIOLATION:

A conference including a building administrator, the student, parents/guardians of the student, and the coach or sponsor will be conducted. If verification is found to be sufficient by school administration, the student will be suspended from participation in all extra-curricular competition/practices for the remainder of the current season.

OUT OF SEASON VIOLATION

A conference including a building administrator, the student, parents/guardian of the student, and the coach or sponsor, will be conducted. If verification is found to be sufficient by the school administration, the student will be placed on immediate administrative probation. Students placed on administrative probation are not considered "in good standing" as described by the KSHSAA Rule 14 and therefore are not permitted to participate in extra-curricular activities. A student may be removed from administrative probation by completing the following:

Completion of a community service program as designed by the student and parents/guardians and approved by the school administration. This program shall consist of a minimum of 20 hours of service. The designated program must be completed prior to the student participating in any extra-curricular competition.

B. SUBSEQUENT OFFENSES

(Offenses are accumulative throughout the duration of the contract)

A conference including a building administrator, the student, parents/guardians of the student, and the coach or sponsor will be conducted. If verification is found to be sufficient by school administration, the student will be prohibited from participating in extra-curricular activities for one calendar year after the completion of the due process hearing.

STUDENT AND PARENT/GUARDIAN ACKNOWLEDGEMENT

I have read and understand the Shawnee Mission School District's Tobacco/Alcohol/Drug Contract and the consequences associated with the contract.
